

Teacher's notes

Reinforcement worksheet 1

- Students use the pictures to help them follow the letter trail in the word maze from *in* to *out*. Students then write the words below the pictures.

Key: 1 purse, 2 hat, 3 glasses, 4 dress, 5 shirt, 6 jeans.

- Optional follow-up activity:** Students take turns naming each letter as they move through the maze.

Reinforcement worksheet 2

- Students look at the first picture of the clothes on the clothesline. In each of the following pictures, one item of clothing is missing. Students identify the missing item, then look at the pictures of the characters, and complete the sentence with the name and the item of clothing. They then complete the three sentences below.

Key: 1 Monty, shirt, 2 Trevor, dress, 3 Maskman, jeans, 4 Marie, socks, 5 Marie, hat.

- Optional follow-up activity:** Students work in groups of three. Student A names an item of clothing. Student B says the sentence from the worksheet with the name of the character wearing that item. Student C repeats the sentence, but adds the name of a student in the class who is also wearing this item of clothing. Play continues until someone repeats a student's name or cannot go on. Play recommences with a different item of clothing.

Extension worksheet 1

- Students use the visual clues to do the crossword puzzle. They then answer the questions using *Yes, I do* or *No, I don't*.

Key:

Across: 2 purse, 3 glasses, 5 shirt, 6 socks, 8 jeans.

Down: 1 dress, 4 skirt, 5 shoes, 7 hat, 8 jacket.

- Optional follow-up activity:** Students work in pairs. Each pair prepares five questions of their own and uses these to conduct a class survey. They can then prepare a bar chart to illustrate their findings and stick them on the wall / notice board for the class to see.

Extension worksheet 2

- This can be done as a listening exercise (Track 18) or a reading exercise. Students read each of the speech bubbles and decide which scene they belong to. They write the scene number in the small accompanying box.

Key: 2, 3, 4, 1, 6, 5.

- Optional follow-up activity:** Students work in groups. They take turns reading one of the speech bubbles. The first person to say the next line of the dialog in the story takes the next turn.

Song worksheet

- Students listen to the song (Track 19) and identify the pictograms. They then write each missing word on the dotted line.

Key: See Student's Book, page 67.

- Optional follow-up activity:** Students write a short text about themselves using five pictograms. They should use *have* and *don't have*. Students work in pairs, A and B. They swap texts. Student A reads Student B's text, and vice versa. To do so, they will need to interpret the pictograms.
